# Welcome to Relay!

Dear team members,

A very warm welcome to this year's Bordertown Relay For Life. This incredible event is a major fundraising event for Cancer Council SA and without the personal support and commitment from each and every one of you, this event simply would not be possible.

Now more than ever, we are reminded of the importance of coming together with Relay For Life within our community to celebrate, remember and fight back against cancer. The event also giving us all a chance to reconnect after the distance we have experienced over the past few years, all while supporting South Australians impacted by cancer.

Whether you're a carer, survivor or team member—today is about taking part, making a difference and having plenty of fun along the way. We sincerely hope that you enjoy this event that your community has worked so hard to make possible.

Best wishes to each and every team and thank you for your unwavering support and enthusiasm—it is keeping the spirit of Relay For Life alive in South Australia. I hope you all enjoy the wonderful program of activities and entertainment we have lined up for you.

# About Cancer Council SA

Cancer Council SA has a proud history of working across every aspect of every cancer for more than 90 years. With the support of the South Australian community, we have worked—and continue to work—hard to reduce the rate and impact of cancer through research, prevention and support programs that make a real difference.

# Things you should know about ...

**"It's about a community that takes up the fight..."**

1. This is a non smoking event.
2. This event is Alcohol in moderation until 12pm Saturday only.
3. Sunscreen will be available at various locations for your use. Please be sunsmart.
4. Please ensure your team's belongings stay within the boundary of your campsite and do not impede the track in any way.
5. Team Captains are responsible for the actions of their team members and their families/friends. A responsible adult must accompany people under the age of 18 attending the event.
6. Friends or relatives may accompany a designated walker/runner but when they are doing so, their laps are not credited to the team. The same rule applies when more than one team member is on the track at the same time.
7. Each team is responsible for counting its own laps. The lap sheet can be found in this program.
8. The track is for all participants. Walking participants are requested not to impede the progress of runners.
9. The walking/running direction will be reversed periodically.
10. Teams are requested to mark their tents with the name of their team or team banner.
11. Participants are responsible for the safety of their belongings—you are advised not to leave valuables unattended.
12. All youth and school teams to have a supervisor over the age of 25 (unless parents caring for their own children) present for the entire duration of the event.
13. **No dogs allowed.**
14. In the event of unsafe weather the event may be modified, shortened or cancelled at the discretion of the committee and Cancer Council SA

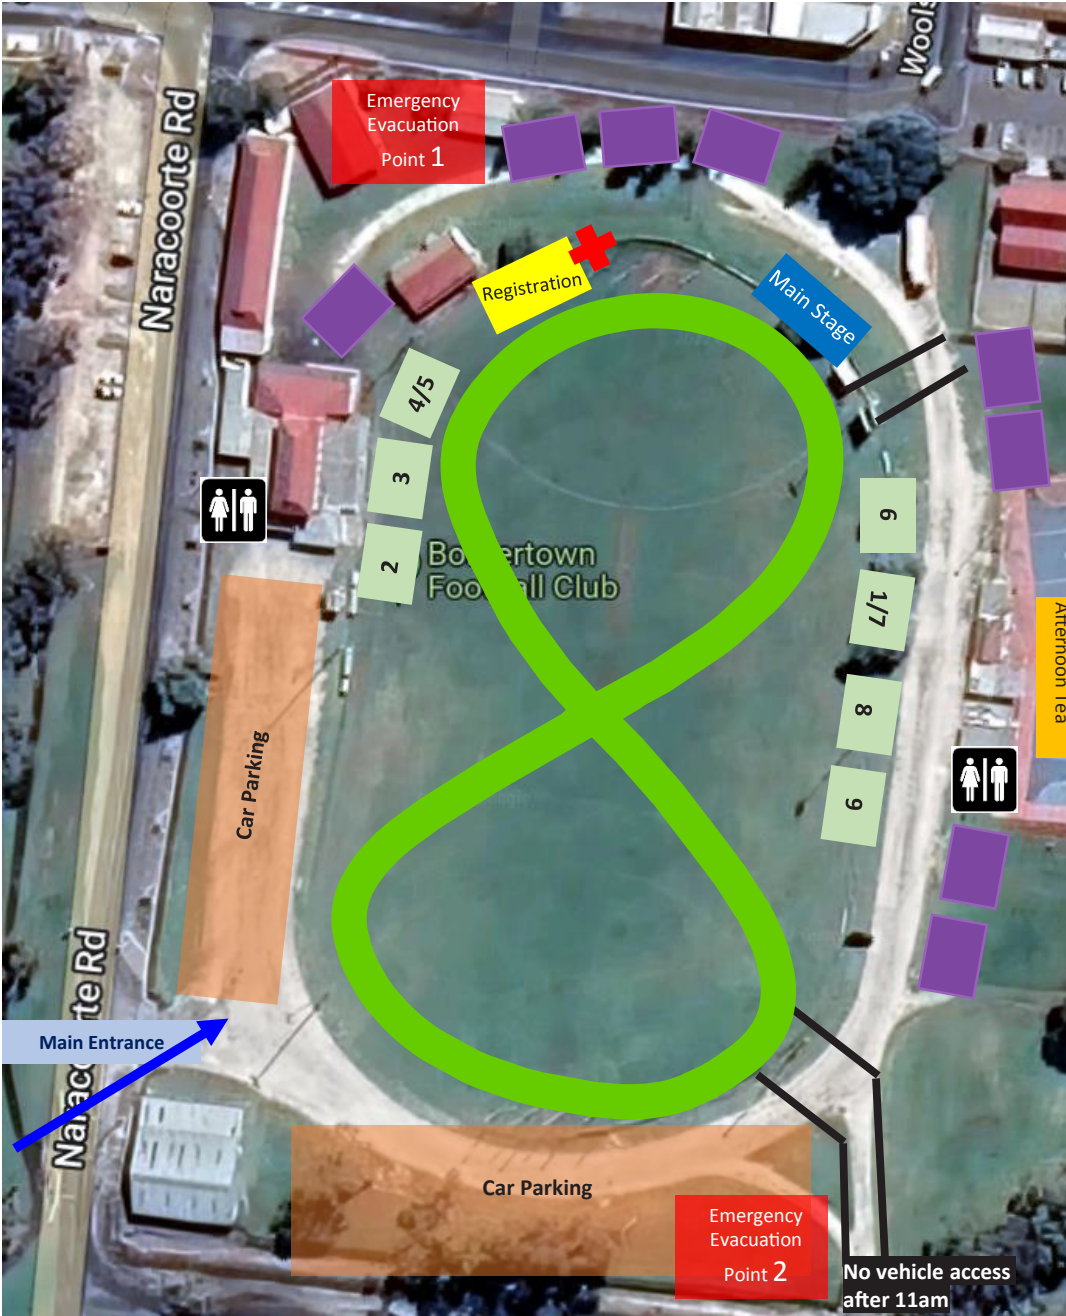

**Remember to have fun!**

# A very big thank you!

There are always a great many people and organisations to thank after an event such as this:

## Volunteers and staff

We simply could not manage an event of this magnitude without the support of our on-the-day volunteers who have worked in all areas—from event set-up to the registration desk, running activities and supporting teams with pack up. Thank you!

And a special thank you goes out to the volunteer Event Leadership Team who have brought this weekend's event to life. Their ongoing enthusiasm over the past few months is something the community can be proud of.

If you would like more information about joining the 2023 Event Leadership Team, please get in touch with the Relay For Life team at [relay@cancersa.org.au](mailto:relay@cancersa.org.au). We'd love to have a chat!

## Relay For Life

# Oath

In the name of all Relay For Life participants, I confirm that we are here to celebrate the lives of cancer survivors, to support those fighting cancer, and to honour those we have lost.

Our commitment will be symbolised in every step we take, each and every one moving us nearer to our goal, the goal of a cancer free world for future generations.
